

Muslim social media website is one of Europe's fastest growing dotcoms

10 dage siden Muslim equivalent of Yahoo, Facebook and Youtube has been recognised as one of Europe's best tech start-ups by a leading American technology magazine. Internet phenomenon Muxim.com has been selected as one of Europe's most successful new businesses by California-based 'Red Herring' - a media company dedicated to business innovation and technology. Muxim.com was launched in 2006 b
