Photographer illustrates diversity of Muslim world

June 28, 2008

Celebrated rock photographer Peter Sanders has launched a collection of work showcasing the diversity and beauty of the Islamic world. Peter Sanders, who made his name photographing famous rock and roll icons of the 1960s, has launched "In the Shade of the Tree", documenting his travels around the Middle East.

The book illustrates Sanders four decades of travels and captures the humanity of peoples often labeled by the West as either victims of circumstance or a threat to modern culture.
